**** 1 Encl: 833- Pub. S.C. dt. 24.11.44

It was reported in this office reference cited above that entire special staff with the exception of one Special Deputy Tahsildar one Lower Division Clerk and two peons, in each of the two areas, Kumbl and Uppinangady, was disbanded with effect from 1-11-1944. The sancti accorded in G.O.No.Ms.2103 Revenue, dated 24-10-1944 for the continuanc of the Special staff will expire on 30-11-1944.

References are even now being received both from the Military authorities and others in connection with the special work and I consider it necessary to retain the existing staff to answer urgent references and to

be in charge of the records. I, therefore, request that sanction kindly be accorded for retaining the existing special staff till end of December, 1944.

2. The cost should be debited to the departmental budget head in the first instance and recovered from the Defence Deptt. in accordance with the instructions in G.O. 219 (5) Rev, Dr. 10.11.42.

3. A copy of this order should be sent to

4 The military authority at whose instance the
work was undertaken

U.S.'s query at top of p. 1 of
I have myself dealt with the matter.
It is however noted that the Collis
letter deals purely with the question of staff
and there seems to be no reason to
treat it as 'secret' or even as 'confdl'.
It is presumably marked 'secret' as the
enclosed file in Collis' office
(containing correspondence which
should be treated as 'secret') is a 'secret'
file. The Collis/Jenkins letter on the
subject dd. 15.11.44 (now in Public)
was not marked 'secret'
